The Program and this Agreement

This document describes the Jasper Cash Back Mastercard®'s Cash Back Program ("Program") and the terms & conditions that You, the person to whom the Jasper Cash Back Mastercard® was issued, will have to comply with, in order to benefit from the Program. The Program Terms & Conditions (as may be amended from time to time, the "Agreement") apply to the Jasper Cash Back Mastercard®, issued by WebBank, member FDIC. This Agreement is an agreement between You and WebBank, member FDIC.

You agree that Your use of the Jasper Cash Back Mastercard® constitutes Your acceptance of this Agreement. This is a separate and independent agreement from the Cardholder Agreement. Program Terms

Limits on Earning Cash Back

There are two separate limits on You earning Cash Back Rewards. The first limitation is with respect to the maximum Cash Back Rate You can receive. The maximum Cash Back Rate You can receive is 6%, which equals the Base Rate of 1%, plus a Referral Cash Back Rate of 5%. You can earn a Referral Cash Back Rate of 5% in one of two ways. The first way is to make five (5) total Qualified Referrals to Us at 1% per Referral, each effective for a 12-month period from when earned. The second way is available to Qualified Referrals within the first 12 months of when they activate their card. Qualified Referrals will receive a bonus of an additional 1% for 12 months from their card activation and therefore during this initial period only need to make four (4) Qualified Referrals, each effective for a 12-month period from when earned, to earn a Referral Cash Back Rate of 5%. After the initial 12-month period expires, Qualified Referrals will need to make five (5) total Qualified Referrals to earn a Referral Cash Back Rate of 5%. The Cash Back Rate will be applied on the net amount charged on Eligible Transactions minus any credits or returns.

The second limitation is with respect to the dollar amount to which Your Cash Back Rate is applied. The maximum dollar amount (of Eligible Transactions) on which the Cash Back Rate can be applied is the total credit limit on Your Jasper Cash Back Mastercard®.

These two limits taken together mean the maximum Cash Back rewards You can earn in a billing cycle = Your Credit Limit x 6% maximum Cash Back Rate. Please note the amount of Cash Back rewards You earn will be less if Your Cash Back Rate is less than the maximum Cash Back Rate.

Eligibility Requirements

You will maintain eligibility to earn and redeem Base Rate and Qualified Referral Cash Back so long as You are in Good Standing.

Calculating Your Cash Back

For as long as You are in Good Standing, You will earn 1% Cash Back on the Eligible Amount. As noted above, the Eligible Amount for a given billing cycle shall not be greater than Your credit limit. You can earn up to an additional 5% Cash Back through Qualified Referrals. A Qualified Referral occurs when a person, that is not a current Jasper Cash Back Mastercard® cardholder, is referred to Us by a current Jasper Cash Back Mastercard® Cardholder, that person applies, is approved, and activates their Jasper Cash Back Mastercard®. If You make a Qualified Referral, your Cash Back Rate will be increased by a Referral Cash Back Rate of 1% for a 12-month period starting the day the referred individual activates their Jasper Cash Back Mastercard®. You can also be a Qualified Referral, in which case your Cash Back Rate will be increased by a Referral Cash Back Rate of 1% for a 12-month period starting the day you

activate your Jasper Cash Back Mastercard®. Cash Back for a particular Jasper Cash Back Mastercard® billing cycle is earned based on Your Eligible Amount, Base Rate, and the number of total Qualified Referrals accumulated prior to the beginning of the next billing cycle. If You are not in Good Standing, no Cash Back will be accumulated or automatically redeemed. All Cash Back—including Base Rate, Cash Back from Qualified Referrals, or Cash Back from any promotional offers—begins accumulating from the date of the first Eligible Transaction.

Promotional Offers

From time to time, You may receive promotional offers from Us. Each promotional offer will contain (1) details on how to earn the Cash Back Rate for that particular offer and (2) any applicable limitations not otherwise provided in these Terms and Conditions. If You are not in Good Standing on the date We determine whether You have met the terms of the offer, You will not receive any promotional Cash Back.

Redemption of Accumulated Cash Back

Any and all Cash Back, whether from Qualified Referrals, Base Rate Cash Back, or promotional offers will only be redeemable after the completion of three (3) months of on-time payments of at least the minimum payment due. The three (3) months of on-time payments do not need to be made consecutively. All Cash Back will be redeemed automatically for the first time once You have made three (3) on-time payments since being approved for the Jasper Cash Back Mastercard®. The Cash Back will appear as a credit on Your next statement. Once You have successfully completed the three (3) on-time payments, Your accumulated Cash Back will automatically be redeemed as a credit on Your statement balance each month, so long as you remain in Good Standing. After Your Referral Cash Back is unlocked for the first time after three (3) monthly on-time payments, if You fail to pay at least the minimum payment in any given month, you will not earn any Cash Back for that month. Once You pay the minimum amount due, You will continue accumulating Cash Back and the previously accumulated amount will be redeemed automatically. The amount of total Cash Back that can be redeemed is limited to the amount of Your total Jasper Cash Back Mastercard® account balance minus the minimum payment due. Cash Back will not be automatically redeemed to pay the minimum payment on any statement. You are still responsible for paying the minimum payment each billing cycle.

How to Check Your Cash Back Balance

You can view Your accumulated Unredeemed Cash Back balance through the Jasper mobile application. Note that such information may not reflect pending transactions, transactions that have not settled, transaction reversals, unverified referrals, returned payments, or other transactions that have not been verified or finalized.

Your monthly statement will also show the Unredeemed Cash Back balance as of the end of the billing cycle for that month's statement, changes made to Unredeemed Cash Back during that billing cycle, and the amount redeemed during the cycle.

Information About Referred Persons

Due to the confidential nature of individuals' personal financial information, We cannot share any information with You about another person's application for a Jasper Cash Back Mastercard®, including whether a specific individual You referred applied or whether they

were approved or declined.

Cash Back Earnings Rate Expiration

The Base Rate (1%) will not expire unless your Cash Back rewards are forfeited as detailed in the Forfeiture section below. Each additional 1% Referral Cash Back Rate, earned through making or being a Qualified Referral, and added to Your Base Rate, expires 12 months from when the Qualified Referral was earned. All Cash Back Rates are applied only once You have completed three (3) on-time monthly payments as detailed above.

Change of a Card

In the event Your Card is lost, stolen, or damaged, or if We issue You a new Jasper Cash Back Mastercard® number for any other reason, Your accumulated Cash Back amount will move to Your new Jasper Cash Back Mastercard® number and this Agreement will remain in effect.

Adjustment to Rewards for Returns and Reversals

We may make adjustments to Your Cash Back amount based on Your Account activity. We will decrease Your Cash Back amount as a result of a return or reversal of an Eligible Transaction or as a result of Cash Back applied to Your Account in error. If You are credited with any Cash Back from Ineligible Transactions, We may reverse that Cash Back.

Our processing platform serves as the final record of Your Cash Back activity. This includes the amount of Cash Back You have available for redemption, the amount of Cash Back You have redeemed, and the Base Rate You will earn on the Eligible Amount. In the event there is a discrepancy between Your records and the processing platform, the information from the processing platform will be deemed correct.

If an Eligible Transaction is returned or reversed, We may, in our sole discretion: (1) subtract the amount of such Eligible Transaction from Your Eligible Amount balance during or after the billing cycle in which the return or reversal occurs; or (2) make adjustments to Your Unredeemed Cash Back to account for such return or reversal.

Adjustments We make to Your Eligible Amount or Unredeemed Cash Back in the case of a return, reversal, or other adjustment may result in You having a negative Eligible Amount or a negative Unredeemed Cash Back amount. If a returned purchase, reversal, or other adjustment results in a negative Cash Back amount and Your cash back amount remains negative for two consecutive billing cycles, We will charge Your Account the amount of the negative cash back. The charge will appear on Your next statement as a transaction.

Forfeiture

In the event that, as determined by Us in Our sole discretion, (1) We choose to close Your account due to violations of the Card Holder Agreement, (2) You engage in Manufactured Spend transactions, or (3) You otherwise misuse, abuse, or game the Cash Back Program, You will forfeit any Unredeemed Cash Back that You have accrued and any Cash Back that You would have earned had the event not occurred. Also, in such an event, You will become ineligible to earn further Cash Back until further notice from Us.

Should You choose at any point to freeze Your account, any accumulated Cash Back will be preserved on the account.

Account Closure

Should You choose to close Your account for any reason, the accumulated Cash Back at the time of closure will be applied to Your current statement balance, which will be reflected on Your final statement to be issued at the beginning of the following month. If you have a negative Cash Back amount at the time You request that your Account be closed, We will charge Your Account the amount of the negative cash back, which may result in You having an outstanding balance on Your Account. You promise to pay Us any such outstanding balance.

Program Modifications

The Program is subject to change. We reserve the right to, at any time, add, change, or eliminate any terms of this Agreement associated with the Program.

Modifications may include, but are not limited to:

- Changing the way Cash Back is calculated, earned and/or redeemed;
- Lowering or changing the Base Rate;

- Applying charge fees for participating in the Program;
- Making it harder to earn Cash Back;
- Limiting the types of purchases on which Cash Back is accrued or eliminating means of earning Cash Back;
- Modifying Eligible Transactions and excluding certain transactions.

We may communicate these changes to You by posting an updated copy of this Agreement on the Jasper website. You can refer to the “Last revised” date at the top of this Agreement to see when it was last updated. We may instead notify You of changes electronically, by email, or through the Jasper mobile app. It is Your responsibility to review the website or any emails or notifications sent to You electronically. The changes become effective once an update is communicated either on the website or via electronic methods. Once effective, any such changes will be considered part of this Agreement.

Program Termination

We also reserve the right to terminate the Program at any time. We will notify You of the termination via the Jasper website, other electronic means, or any other reasonable means. Once the termination is announced, the accumulated rewards will be applied to Your current statement balance, which will be reflected on Your statement on the following month.

Limitation of Liability

TO THE MAXIMUM EXTENT PERMITTED BY APPLICABLE LAW, IN NO EVENT SHALL JASPER (OR OUR AFFILIATES, DIRECTORS, OFFICERS, EMPLOYEES, OR

CONSULTANTS) BE LIABLE TO PARTICIPANT OR ANY THIRD PARTY FOR ANY INCIDENTAL, CONSEQUENTIAL, INDIRECT, SPECIAL, OR PUNITIVE DAMAGES ARISING OUT OF OR RELATING TO THESE TERMS. IN NO EVENT SHALL OUR MAXIMUM CUMULATIVE LIABILITY UNDER ANY CAUSE OF ACTION (WHETHER IN CONTRACT, TORT, OR OTHERWISE) EXCEED AN AGGREGATE AMOUNT OF U.S. \$100.
