Last revised: November 11, 2020

The Program and this Agreement

This document describes the Jasper Cash Back Program (“Program”) and the terms & conditions that You, the person to whom the Jasper Card was issued, will have to comply with, in order to benefit from the Program. The Program Terms & Conditions (as may be amended from time to time, the “Agreement”) apply to the Jasper MasterCard Credit Card, issued by WebBank, member FDIC. This Agreement is an agreement between You and WebBank, member FDIC.

You agree that Your use of the Jasper Card constitutes Your acceptance of this Agreement. This is a separate and independent agreement from the Cardholder Agreement. In order to benefit from this Program, You must comply with this Agreement, the Cardholder Agreement, and any other agreements, policies and/or disclosures You agreed to when applying for and obtaining Your Jasper Card.

Program Terms

Cash Back Limit

There is no limit on the amount of Cash Back You can earn each month.

Eligibility Requirements

You will maintain eligibility for Cash Back so long as You are in Good Standing.

Calculating Your Cash Back

You will earn 1% Cash Back on the Eligible Amount for as long as You are in Good Standing. Cash Back for a particular Jasper Card billing cycle is earned based on Your Eligible Amount and Base Rate during that billing cycle. If You are not in Good Standing, no Cash Back will be allocated for a billing cycle.

Promotional Offers

From time to time, You may receive promotional offers from Us. Each promotional offer will contain details on how to earn the Cash Back rate for that particular offer and any limitations that apply. If You are not in Good Standing as of the date We determine whether You have met the terms of the offer, You will not receive the promotional Cash Back.

Redemption of Accumulated Cash Back

Cash Back is redeemed automatically every month and applied as a credit to Your statement balance. The amount of Cash Back that can be redeemed is limited to the amount of Your total Jasper Card account balance.

Should Your account become past due at any point, You will lose your ability to accrue any additional Cash Back or redeem any existing Cash Back. Once Your account is back in Good Standing, You will be able to continue to accrue and redeem additional Cash Back. Cash Back cannot be redeemed to pay the minimum balance on any statement.

How to Check Your Cash Back Balance

You can view Your accumulated Unredeemed Cash Back balance through the Jasper Card mobile application. Note that such information may not reflect pending transactions, transactions that have not settled, transaction reversals, unverified referrals, returned payments or other transactions that have not been verified or finalized.

Your monthly statement will also show Unredeemed Cash Back balance as of the end of the billing cycle for that month's statement, changes made to it during that billing cycle and the amount redeemed during the cycle.

Cash Back Duration

Your accumulated Cash Back will not expire unless your Cash Back is forfeited as detailed in the Forfeiture section below.

Change of a Card

In the event Your Card is lost, stolen or damaged, or if We issue You a new Jasper Card number for any other reason, Your accumulated Cash Back amount will move to your new Jasper Card number and this Agreement will remain in effect.

Adjustment to Rewards for Returns and Reversals

We may make adjustments to Your Cash Back amount based on Your Account activity. We will decrease Your Cash Back amount as a result of a return or reversal of an Eligible Transaction or as a result of Cash Back applied to Your Account in error. If you are credited with any Cash Back from Ineligible Transactions, we may reverse that Cash Back.

Our processing platform serves as the final record of Your Cash Back activity. This includes the amount of Cash Back You have available for redemption, the amount of Cash Back You have redeemed, and the Base Rate You will earn on the Eligible Amount. In the event there is a discrepancy between Your records and the processing platform, the information from the processing platform will be deemed correct.

If an Eligible Transaction is returned or reversed, We may, in our sole discretion:

- (1) subtract the amount of such Eligible Transaction from Your Eligible Amount balance during or after the billing cycle in which the return or reversal occurs
- (2) make adjustments to Your Unredeemed Cash Back to account for such return or reversal.

Adjustments We make to Your Eligible Amount or Unredeemed Cash Back in these cases may result in You having a negative Eligible Amount or a negative Unredeemed Cash Back amount.

Forfeiture

In the event that, as determined by Us in Our sole discretion, (1) Jasper chooses to close Your account due to violations of the Card Holder Agreement, (2) You engage in Manufactured Spend transactions or (3) You otherwise misuse, abuse or game the Cash Back Program, You will forfeit any Unredeemed Cash Back that You have accrued and any Cash Back that You would have earned had the event not occurred. Also, in such an event, You will become ineligible to earn further Cash Back until further notice from Us.

Should You choose at any point to freeze Your account, any accumulated Cash Back will be preserved on the account.

Account Closure

Should You choose to close Your account for any reason, the accumulated Cash Back at the time of closure will be applied to Your current statement balance, which will be reflected on Your final statement to be issued at the beginning of the following month.

Program Modifications

The Program is subject to change. We reserve the right to, at any time, add, change or eliminate any terms of this Agreement associated with the Program.
